Summary

Senior SEO and AI search strategist with 6 years of experience driving organic growth for B2B SaaS, edtech, healthcare benefits and multi-location brands. I get brands cited in Google AI Overviews and ChatGPT, not just ranked. Hands-on with technical SEO, schema and JSON-LD, content strategy, CRO testing and AI-assisted workflows. I own strategy and client relationships end to end, present to C-suite stakeholders, and connect search performance to pipeline.

Experience

Senior SEO & GEO Manager (Full-Time Contract)

2026 to Present

Obility · B2B digital marketing agency · Remote

- Own SEO and AI search strategy for B2B clients in SaaS, edtech, IoT and healthcare benefits; primary SEO lead across my accounts.
- K-12 edtech company: AI Overview citation share rose from 17% to 61% of tracked search volume in one quarter; ChatGPT mentions grew from 20 to 51 keywords; AI-referred visits +72%, converting at 2.9% vs. 0.6% for organic.
- Industrial IoT software company: AI Overview citations +122% and AI-referred sessions +54% QoQ after an llms.txt, TL;DR and schema rollout. Led SEO through a platform relaunch, cutting redirect issues from 1,000+ to 155.
- National dental benefits administrator: 31 of 69 tracked keywords on Google page 1 (13 at #1), 28 cited in AI Overviews and 25 by ChatGPT. Sole client contact with no account manager, through a six-month renewal.
- Built a 150-prompt AI search tracking program mapped to buyer personas, and a YouTube optimization playbook with a transcript integration for AI-assisted workflows.
- Ran CRO with heatmaps and A/B tests; write and implement schema markup; diagnose indexation, page-speed and analytics tracking issues.
- Led SEO on 4 new-business assessments presented to prospect leadership. Created an executive LinkedIn thought leadership program, now a productized offering.
- Built the team's SEO Training Library and Ranking Discrepancies Playbook; train writers and new hires, and led a Semrush tool evaluation.

Senior SEO Consultant (Full-Time Contract)

2025

PTC · Enterprise software: CAD, PLM, IoT, AR · Boston, MA (Remote)

- Led keyword, SERP and AI Overview research to measure how LLM-driven answers affected product-page visibility on a site in 10 languages.
- Applied GEO findings to optimize priority pages for rankings and AI answer inclusion, with product and content teams.

SEO Manager

2021 to 2025

Scorpion · Digital marketing agency serving 20,000+ US businesses · Valencia, CA (Remote)

- Drove organic growth and qualified leads for multi-location and franchise brands through technical SEO and structured data.
- Delivered 200+ SEO audits and wrote or optimized 200+ service pages; standardized SEO processes across accounts.
- Led SERP and competitor analysis to shape account strategy; onboarded and trained new SEO hires.

SEO Analyst

2020 to 2021

Click Here Digital · Automotive and legal marketing agency · Baton Rouge, LA

- Managed SEO for 17 automotive and legal clients; campaigns generated $28,883+ in monthly revenue.
